It's a pleasure to be able to welcome participants, coaches and supporters of the Jock Hobbs' Memorial National Under 19 Tournament to Taupō for 2019. As always, this competition brings together New Zealand's top young rugby talent and many of today's stars have played starring roles in this tournament. We are very proud to be hosting the competition again this year here in Taupō, and hope and trust you will enjoy your time here.

One of the great things about the Taupō District is there's always something happening, and that's why we're widely known as New Zealand's events capital. Whether it's sporting fixtures, rock concerts, motorsport, cultural events, parades or festivals, we host over 400 different events each year.

Team sport tournaments such as this competition have a significant economic impact on our town and our visitors bring a unique vibe - which we love. Coupled with our unique Taupō District hospitality, large-scale events such as this make this a great place to compete in and visit.

Congratulations to everyone for being here. It is an honour to play at this level, and I know you all do this with pride. Good luck to each region represented, and hopefully you will be able to make the most of everything our district has to offer in between games.

Play hard, but fair, and above all have fun.

WELCOME FROM NEW ZEALAND RUGBY

On behalf of New Zealand Rugby, it's my pleasure to welcome you all to the 2019 Jock Hobbs Memorial National Under 19 Tournament.

In its five-year history, the Jock Hobbs Memorial National Under 19 Tournament has become a much-anticipated event on the rugby calendar and has seen some of New Zealand's most promising young rugby players get noticed. I hope that this year's tournament will lead to more players taking the next steps in their rugby journey – it is always fantastic to see.

Jock Hobbs was a very special man whose immense contribution to rugby can still be seen wherever you look in the game. Therefore, it is fitting that this tournament is named for him. He was a player, an All Black and a captain, a coach and administrator at many different levels.

Considering his love for the game and passion for securing its future, I am sure he would have been delighted to see this Tournament do so well.

This tournament also gives us a great opportunity to recognise the incredible on and off field service to the game provided by Graham Mourie, Sir Michael Jones and the late Sir DJ Graham, through the trophies that carry their names and are on the line this week.

Over 400 young players, match officials, coaches and team management will take part in this week-long rugby event, which features 24 games of rugby, development workshops and position-specific coaching clinics. I hope you all enjoy the experience, make new connections and get as much as you can out of what's on offer.

New Zealand Rugby would like to thank the King Country Rugby Union and Taupo District Council for their ongoing work to ensure the Tournament is successful and enjoyable. A huge thanks also to the volunteers – we wouldn't have a tournament without you.

RECOGNISING GREATS OF OUR GAME

The Jock Hobbs Memorial National U19 Tournament celebrates the many and varied rugby achievements of four greats of the game.

JOCK HOBBS MEMORIAL NATIONAL UNDER 19 TOURNAMENT

Better known as Jock, Michael James Bowie Hobbs was born in Christchurch and represented Canterbury, Wellington and the All Blacks. He played 39 games in the black jersey, most of them on the openside flank,

including 21 Tests and 16 matches as Captain. One of rugby's great administrators, he secured the future of professional rugby in New Zealand in 1995 by leading negotiations with the players; from 2002 to 2010 was the Chair of New Zealand Rugby, which included successfully bidding for and hosting Rugby World Cup 2011; and ably represented New Zealand at international level. Hobbs passed away in 2012 following a struggle with cancer.

GRAHAM MOURIE CUP FOR THE PREMIERSHIP WINNER

Graham Neil Kenneth Mourie was born in Opunake and represented Wellington, New Zealand Colts, New Zealand Juniors and New Zealand Universities before making his All Black debut in 1976. A talented loose forward, Mourie

played in 61 matches, including 21 Tests and was Captain on 57 occasions, including the first time the All Blacks secured a Grand Slam, with wins over England, Ireland, Scotland and Wales in 1978. After hanging up his boots, Mourie coached Wellington and the Hurricanes and served on the New Zealand Rugby Board from 2002 until 2012, serving as the New Zealand Rugby representative on a number of World Rugby committees.

SIR MICHAEL JONES TROPHY FOR THE CHAMPIONSHIP WINNER

Sir Michael Niko Jones was born in Auckland and was identified as a strong rugby talent at a young age, making his debut for the senior Auckland side at 20 years of

age and earning selection in the New Zealand Colts in 1986. He made his debut for the All Blacks at the Rugby World Cup 1987 – a year after playing one test for Western Samoa in 1986 – and played 74 matches for that team, playing in all three loose forward positions. Jones moved into coaching as first Assistant Coach and then Head Coach of Samoa, stepping down from that role after Rugby World Cup 2007 and he was a Rugby Ambassador for Rugby World Cup 2011. In 2018, Sir Michael Jones was elected onto the New Zealand Rugby Board.

SIR DJ GRAHAM PLAYER OF THE TOURNAMENT AWARD

Sir David John Graham – who has been known for most of his rugby career as DJ or John – was born in Stratford and played for Auckland, Canterbury and New Zealand Universities before making

his All Blacks debut in 1958. A vigorous loose forward, Graham played in 53 matches for the national side, including 22 Tests and was Captain for 10 matches. Following his retirement from playing, Graham was headmaster of Auckland Grammar, Manager of the Black Caps, Chancellor of Auckland University and President of New Zealand Rugby, and he received a knighthood in 2011 for services to education and sport. Graham passed away in August 2018 after a long illness with cancer.

PATHWAY FOR PLAYERS

The Jock Hobbs Memorial National Under 19 Tournament returns for a sixth year in 2019, with the support of Mitre 10. The Tournament showcases the best up and coming talent in the country and provides a key talent identification opportunity for the New Zealand Under 20 programme. It has produced a host of players who have earned Provincial Union and Investec Super Rugby contracts, with a number moving on to even higher honours including All Blacks Jack Goodhue, Te Toiroa Tahuriorangi, Rieko Ioane, Jordie Barrett and Asafo Aumua.

400 players from 16 teams will compete across two divisions, for the Graham Mourie Cup (premiership) and Sir Michael Jones Trophy (championship).

Previous winners of the Graham Mourie Cup:

- Wellington (2014)
- Canterbury (2015)

THE ROAD TO TAUPŌ

For the 16 teams taking part in the 2019 Jock Hobbs Memorial National Under 19 Tournament, the road to Taupō began in August.

The teams taking part in the Jock Hobbs Memorial National Under 19 Tournament are drawn from four regions: Blues, Chiefs, Hurricanes and Southern, which is made up of teams from within the Crusaders and Highlanders regions.

Four teams come from each region, with the Heartland under 19 side automatically ranking in 4th place in the Hurricanes pool.

Regional Under 19 Seeding Matches took place in August 2019, with teams' finishing positions in each region giving them a ranking in their Jock Hobbs National Under 19 pool.

The first and second ranked sides in each region compete in the Premiership for the Graham Mourie Cup while the teams ranked third and fourth in each region compete against similarly ranked sides in the Championship for the Sir Michael Jones Trophy.
